

## VIP Tutorial Resource Collection – Fact Sheet

### Overview

The VIP Resource Collection provides 12 months of access to over 107 hours of digital art training across DAZ Studio, Blender, Poser, Hexagon, ComfyUI, lighting, storytelling, and more. The full content library has a combined retail value of \$1,668.

### Included Tutorial Libraries

#### 1. DAZ Studio Essentials by Esha (3h 15m) – \$46

A complete introduction to DAZ Studio's interface, scene setup, posing tools, cameras, workflows, and time-saving UI layouts.

#### 2. Iray Lighting Solutions by Drew Spence (3.5h) – \$46

Master indoor and outdoor Iray lighting, ghost lights, emissives, volumetrics, sun/sky systems, and cinematic mood creation.

#### 3. dForce Experiments by Richard Schafermeyer (3h) – \$31

Nine hands-on physics experiments: cloth thickness, collisions, brick walls, patches/medals, chains, floating props, slackline simulation, and more.

#### 4. Community Webinar Archive (23 sessions, 40h) – \$575

Portrait lighting, composition, plugins, vehicles, photoreal workflows, shaders, posing, reflections, reframing, FlowScape, night scenes, and more.

#### 5. Poser Tutorial Library (18h) – \$97

Includes: Poser 12 overview, Cloth Room essentials, bullet physics, magnets, morph tools, animation sessions, wardrobe workflows, and production tips.

#### 6. Blender Scene Building for Beginners (15h) – \$500

A structured course on building stylized and realistic environments: UI, Pixelscapes, geometry nodes, landscapes, HDRIs, scattering, Cycles, Eevee, kitbashing, animation, and advanced modelling.

#### 7. Blender Custom Characters, Creatures & Props (9.5h) – \$127

Sculpting, retopo, mesh cleanup, creature design, stylized proportions, props, exporting assets for DAZ Studio.

#### 8. Hexagon Tutorial Library (9h) – \$125

Modelling fundamentals, hard-surface techniques, organic sculpting, UV prep, and Hexagon-to-DAZ Studio workflows.

#### 9. Introduction to ComfyUI (3h) – \$75

A beginner-friendly guide to Stable Diffusion with ComfyUI: model loading, samplers, schedulers, prompt control, workflow building, and installation steps.

#### 10. Visual Storytelling: 5 Essential Building Blocks (3h 15m) – \$46

Learn the core principles behind building shots, scenes, acts, and full visual narratives. Includes PDF resources, slide decks, and mini graphic novel.

#### Total Value & Access

- Total Training Time: 107 hours 15 minutes
- Combined Retail Value: \$1,668
- Access Duration: 12 months
- Includes searchable video library + PDF resources

#### Purpose

The VIP Resource Collection is designed to help artists develop skills across multiple digital art tools, strengthen their workflows, and access reliable training between live courses.
